

CLOUD SERVICES

MOVE TO THE CLOUD WITH CONFIDENCE

[RENOVACLOUD.COM](https://www.renovacloud.com)

WHAT WE DO ENABLE

CONSULTING IMPLEMENTATION

CLOUD CONSULTING

A trusted cloud partner with extensive technical capabilities who has all the solutions. Customized for you.

DEVOPS

Agile and innovative. Your Go-to-Market and response time will be quicker with us.

IMPLEMENTATION

Whether your cloud is on-premise or off-premise or a hybrid-Security is a key concern. With Renova Cloud, you have nothing to worry about.

MANAGED SOLUTION

Accelerate deployments, simplify operations and empower business to make more data-driven decisions with end to end managed services.

MANAGED SERVICES

CONTINUOUS OPTIMIZATION

Cloud is ever changing, and every business needs to keep optimizing their utilization to ensure the cost is under control.

SECURITY

Every cloud based business needs maximum security. It's managed by our team of experts.

CONTINUOUS MONITORING

Part of making cloud work for any business is ensuring that there are no blackouts. At Renova Cloud, that's our goal.

24*7 SUPPORT

To ensure continuous monitoring, enhanced security, a key ingredient is a team that is always at your beck and call.

Move to the cloud with confidence
& Transform your IT **and business with**
highly secure **AWS cloud services**
all backed-up by a 99.999% availability
service level agreement.

AWS- Amazon Web Services power the production applications your organization depend on to run your business. Turn your IT resources into a flexible, elastic, and self-service set of resources that you can easily manage and scale to support your changing business needs.

Renova cloud act as AWS authorized partner, we provide managed service capabilities, cloud deployment options, and cloud features you require to accelerate your cloud adoption with a tailored environment that meets your specific needs.

We support all combination of infrastructure, networking, and managed services from your on-premise data centers across the network and into the cloud.

We have what it takes to support your unique IT transformative journey

We complement these offerings with professional, consulting, and managed services to provide a uniquely tailored environment that meets your needs.

If you do not have the infrastructure foundation and a digital-ready network, you will miss opportunities to enter new markets and drive revenue, add cost to support traditional and digital platforms, and be exposed to security and performance risks.'

IDC InfoBrief, sponsored by Cisco, The Digital Imperative: How the Network is Enabling Digital Transformation, 2016
